**Funding Application**

As part of our mission to stimulate and promote the knowledge and love of gardening, to advocate for the natural beauty of our community and encourage the conservation of natural resources, we successfully raise funds each year. A portion of these funds are earmarked to be spent on worthy community projects to assist in that goal. If you have started a venture and need additional funding or have a strategy and no funding, please feel free to fill out the Request For Funding form and email it to: Karen Houston [kghou@comcast.net](mailto:kghou@comcast.net). To mail this request, the address is 30 Oak St., Newburyport, MA 01950.
